

IERBS 2026 Masterclass & Lecture Day 1				
Date: August 14 ,2026 (Fri.) 08:40-17:40			Place : CCH International Education and Training Center	
Time	Min	Topic	Speaker	Moderator
08:10-08:40	30	Registration		
08:40-08:50	10	Opening	Ming Chen / Fang-Ming Chen	
08:50-12:45	235	Minimal Invasive/access Breast Surgery		
08:50-09:20	30	Traversing the whole spectrum of minimally invasive/minimal access (endoscopic- & robotic-assisted) mastectomy	Chi Wei Mok	Janet Ada L. Zaens
			Changi General Hospital , Singapore	
09:20-10:05	45	Endoscopic & Robotic breast surgery- How I do it step by step with video demonstration	Hung-Wen Lai	Eisuke Fukuma
			Changhua Christian Hospital, Taiwan	
10:05-10:35	30	Minimally Invasive Approach for Gynecomastia: Outcome and Satisfaction	See Mee Hoong	Chi Wei Mok
			University of Malaya, Malaysia	
10:35-11:00	25	Group Photo & Coffee Break		
11:00-11:35	35	Endoscopic assisted breast conserving surgery & axillary surgery-Literature review & video demonstrations	Chayanee Sae-lim	Hsiao-Su Wu
			Chulalongkorn University Hospital, Thailand	
11:35-12:05	30	Angiosome of nipple and how to treat its ischemia and reconstruction	Hsiao-Su Wu	Chayanee Sae-lim
			Chung Shan medical university hospital, Taiwan	
12:05-12:35	30	Video sharing sections with various techniques of endoscopic or robotic breast surgeries	Nurul	Visnu Lohsiriwat
			Tan Tock Seng Hospital, Singapore Selayang Hospital, Malaysia	
12:35-13:00	25	Coffee Break		
13:00-17:30	270	Conventional & endoscopic-assisted autologous reconstruction (abdominal and latissimus dorsi) & LICAP flap		
13:00-13:40	40	Abdominal wall & flap: TRAM flap, DIEP, minimal access approach	Jung-Ju Huang	Celene Ng
			Chang Gung Memorial Hospital, Taiwan	
13:40-14:20	40	Back and peripheral flap - Latissimus Dorsi flap, Endoscopic assisted & Post operative bra	Chieh-Huei Huang	Jung-Ju Huang
			National Taiwan University Hospital, Taiwan	
14:20-14:50	30	Chest wall perforator flaps-bridging the gap for breast reconstruction	Celene Ng	Chieh-Huei Huang
			National University Hospital, Singapore	
14:50-15:20	30	Implant based breast reconstruction- How I do it	Chin-Jung Feng	Dar-Ren Chen
			Taipei Veterans General Hospital, Taiwan	
15:20-15:40	20	Coffee Break		
15:40-16:10	30	How do I manage complications after implant based breast reconstructions- Experience sharing	Visnu Lohsiriwat	Hisamitsu Zaha
			Siriraj Hospital, Thailand	
16:10-16:40	30	Oncoplastic Breast Surgery & Laparoscopic harvest of omental flap- How I do it step by step with video	Hisamitsu Zaha	Chin-Jung Feng
			Nakagami Hospital, Japan	
16:40-17:00	20	Cryoablation for breast cancer: How I do it	Hung-Wen Lai	Fiona Tsui-Fen Cheng
			Changhua Christian Hospital, Taiwan	
17:00-17:30	30	Robotic mastectomy - How I do it	Fiona Tsui-Fen Cheng	Ava Kwong
			Shin Kong Wu Ho-Su Memorial Hospital, Taiwan	
17:30-17:50	20	Robotic surgery for risk reduction mastectomy	Ava Kwong	Shou-Tung Chen
			Queen Mary Hospital, The University of Hong Kong, Hong Kong	
17:50-20:00	120	Gala Dinner-(Forte Hotel 2F,Yi-Yun restaurant All participants)		
Organizer				
IERBS.org	Minimally Invasive Research Center at Changhua Christian Hospital Kaohsiung Cancer Treatment and Information Society Master of ceremonies: Su Jun			

IERBS 2026 Cadaveric workshop Day 2				
Date: August 15 ,2026 (Sat.) 08:10-17:00			Place : IRCAD Taiwan	
Time	Min	Topic & Live Demo (3F/1F-Main Screen A)	Speaker	
08:00-08:10	10	Registration		
08:10-08:20	10	Opening Briefing & Group photo	Hung-Wen Lai	Main Auditorium, 1st floor
08:30-10:30	120	Cadaveric workshop Endoscopic assisted Nipple-sparing mastectomy & Implant-based breast reconstruction		
08:30-09:30	60	Instruments and Surgical technique of Endoscopic-assisted Nipple-sparing mastectomy-step by step	Chi Wei Mok	Course A: 3rd floor cadaver hands on section Course B: Live demo & Pre-recorded videos Course C: Video connection
09:30-10:10	40	Prosthesis selection and subpectoral versus prepectoral breast reconstruction-Live demo step by step	Chin-Jung Feng	Course B&C Video connection
10:10-10:30	20	Nipple areolar complex(NAC) reconstruction-How I do it	Visnu Lohsiriwat	Course B&C Video connection
10:30-10:40	10	Coffee Break		
10:40-12:30	110	Cadaveric workshop -Abdominal flap, laparoscopic harvest of omentum flap & NAC		
10:40-11:35	55	Abdominal wall & Abdominal flap: Anatomy, surgery-Live demo step by step	Jung-Ju Huang	Course B&C Video connection
11:35-12:30	55	Laparoscopic harvest of omental flap-step by step	Hisamitsu Zaha	Course B&C Video connection
12:30-13:30	60	Lunch & Coffee Break		
13:30-15:50	140	Cadaveric workshop- LD flap (conventional or endoscopic assisted) & LICAP flap		
13:30-14:00	30	Chest wall perforator flaps-bridging the gap for breast reconstruction	Celene Ng	Course B&C Video connection
14:00-14:30	30	Cryoablation versus Radiofrequency ablation	Hung-Wen Lai	Course B&C Video connection
14:30-15:30	60	Back and peripheral flap-Latissimus Dorsi flap (conventional or endoscopic approach)	Chieh-Huei Huang	Course B&C Video connection
15:30-16:00	30	Individualized surgery and learning	Faculty & Course A	Debriefing of Surgery
16:00-16:20	20	Suture repair of cadaver & cleansing of cadaver lab	Faculty & Course A	Debriefing of Surgery
16:20-16:30	10	Group photo (Course A + Faculty- Cadaver lab) & Coffee Break		
16:30-16:50	20	Discussion & Questions from participants	All Faculty	Main Auditorium, 1st floor All participants (Course A+B)
16:50-17:00	10	Closing & photos (Course A + B)		
Organizer				
IERBS.org	Minimally Invasive Research Center at Changhua Christian Hospital Kaohsiung Cancer Treatment and Information Society Master of ceremonies: Hung-Wen Lai, Su Jun			

IERBS 2026 Symposium-Hybrid Live & Virtual Day 3				
Date: August 16, 2026 (Sun.) 08:40-16:25		Place : CCH International Education and Training Center		
Time	Min	Topic	Speaker	Moderator
08:10-08:40	30	Registration		
08:40-08:50	10	Opening	Hsien-Tang Yeh / Shyh-Jou Shieh	
08:50-10:50	120	Plastic & Reconstructive Surgery: Master Series		
08:50-09:20	30	Application of robotic surgical platform in plastic and reconstructive breast surgeries	Jesse C. Selber	Shyh-Jou Shieh
			Corewell Health East, USA	
09:20-09:50	30	Endoscopic breast augmentation and reconstruction-How I do it	Chih-Wei Wu	Shyi-Gen Chen
			Elysee Aesthetics Medical center, Taiwan	
09:50-10:30	40	Keynote speech- Microsurgical Breast Reconstruction and Lymphedema Microsurgery	Ming-Huei Cheng	Hsien-Tang Yeh
			A+ Surgery Clinic, Taiwan	
10:30-11:00	30	Implant based breast reconstruction-complications and management	Shyi-Gen Chen	Shih-Lung Lin
			Leader's Aesthetic Clinic, Taiwan	
11:00-11:20	20	Coffee Break		
11:20-13:20	125	Advances in Non-surgical Ablation & Axillary management for breast cancer		
11:20-11:50	30	Non-surgical local ablation for breast cancer	Eisuke Fukuma	See Mee Hoong
			Kameda Medical Center, Japan	
11:50-12:25	35	Axillary surgery for patients with breast cancer- Advances and surgical management in minimally invasive era	Haiyan Li	Nurul Rauf
			The 6th Affiliated Hospital of Sun-Yat Sen University, China	
12:25-12:30	5	Discussion-panel	All speakers & moderators	
12:30-13:00	30	Our experience of Robotic Breast Surgery	Peng-Wei Lyu	Hung-Wen Lai
			The First Affiliated Hospital Of Zhengzhou University, China	
13:00-13:20	20	Coffee Break		
13:20-15:10	110	Robotic assisted breast surgeries- Fantastic 4 Forum		
13:20-13:40	20	Robotic Mastectomy, patient satisfaction and breast cancer follow up data	Antonio Toesca	Koh Cher Hui
			Candiolo Cancer Center, Italy	
13:40-14:00	20	Robotic mastectomy in France	Benjamin Sarfati	Eugenia Ip
			Gustave Roussy Hospital, France	
14:00-14:20	20	Robotic breast surgery using the SP system	Hyung Seok Park	Dineshwary Periasammy
			Severance Hospital, South Korea	
14:20-14:40	20	Multicenter Prospective Trial of Robotic versus Conventional or Endoscopic NSM & IPBR for women with early breast cancer (RCNSM-P)	Hung-Wen Lai	Zhang Hui
			Changhua Christian Hospital, Taiwan	
14:40-15:00	20	Panel discussion	All speakers & moderators	
15:00-15:10	10	Coffee Break		
15:10-16:25	75	Advances in Endoscopic assisted Breast Surgeries		
15:10-15:40	30	Reverse-order endoscopic NSM through single axillary approach followed by implant based breast reconstruction	Zheng-Gui Du	Piotr Pluta
			West China Hospital, China	
15:40-16:10	30	Minimal Access of NSM with immediate prothetic breast reconstruction and BCS	Zi-Han Wang	Lim Lay In
			Peking University People's Hospital, China	
16:10-16:20	10	Endoscopic or Robotic Breast Surgery: How to choose ?	Discussant: Lidia Blay	
16:20-16:25	5	Closing		
Organizer				
IERBS.org	Minimally Invasive Research Center at Changhua Christian Hospital Kaohsiung Cancer Treatment and Information Society Master of ceremonies: Su Jun			

Lecturer

Chi Wei Mok

Education

- 2010: Bachelor of Medicine and Bachelor of Surgery (MBBS)
- 2012: Member of Royal College of Surgeons of Edinburgh (MRCSEd)
- 2016: Master of Medicine (Surgery), National University of Singapore
- 2017: Fellow of Royal College of Surgeons of Edinburgh (FRCSEd)

Professional Appointments and Committee Memberships

- Associate Programme Director, Singhealth Post-graduate Year Residency
- Clinical Assistant Professor, Duke-NUS Medical School
- Clinical Lecturer, Yong Loo Lin School of Medicine

Awards

- 2012: Best Oral Poster (First Prize), Eastern Health Alliance Annual Scientific Meeting
- 2013: Outstanding Resident Award, Singhealth Rise Awards Ceremony
- 2014: Top scoring abstract (Medical Poster), 34th Congress of the European Society of Surgical Oncology (ESSO), Liverpool, UK
- 2015: Best Medical Poster (Second Prize), Eastern Health Alliance Annual Scientific Meeting
- 2016: Outstanding Resident Award, Singhealth RiSE
- 2019: WOW! Award, Changi General Hospital
- 2020: Singapore Health Quality Service Awards – Silver

Hung Wen-Lai

Educational Background

- Medical Doctor (M.D.), September 1995- June 2001, College of Medicine, National Cheng-Kung University, Tainan, Taiwan
- Post-Graduate Education (PhD.): September 2007 – July 2011, Department of Pharmacology, National Yang-Ming University School of Medicine, Taipei, Taiwan

Professional Roles

- Deputy Chief, Department of Surgery, Changhua Christian Hospital, Taiwan
- Director of Endoscopy and Oncoplastic Breast Surgery Centre, Changhua Christian Hospital, Taiwan
- Associate Director of Comprehensive Breast Cancer Centre (CCBC), Changhua Christian Hospital, Taiwan
- Vice President of Taiwan Oncoplastic Breast Surgery (T-OPBS)
- Associate Professor, Department of Surgery, Kaohsiung Medical University, Taiwan

Employment Record

- Director of Endoscopy and Oncoplastic Breast Surgery Centre, CCBC, Changhua Christian Hospital (2012.02-present)
- Associate Director of Comprehensive Breast Cancer Centre, Changhua Christian Hospital (2013.7- present)
- Assistant Professor, Department of Surgery, National Yang-Ming University (2012.08- present)

See Mee Hoong

Education

- 2003: Bachelor of Medicine (MBBS), Universiti Putra Malaysia (UPM)
- 2011: Master's Degree in Surgery (General), University of Malaya
- 2012-2015: Fellowship in Breast Oncoplastic Surgery, Universiti Malaya & Mahidol University, Thailand
- 2013: Honorary Fellow in Breast Oncoplastic Surgical Training, Siriraj Hospital, Thailand
- 2016: Advanced Training in Minimally Invasive Techniques & Cryoablation, Kameda Medical Centre, Japan
- 2022: Robotic Breast Surgery Training, Chang Hua Christian Medical Centre, Taiwan

Professional Roles

- Clinical Head, Breast & Endocrine Surgery Unit, UMMC
- Senior Lecturer, Faculty of Medicine, University of Malaya (since 2012)
- Council Member, Breast Surgical International and ISAES (2024)
- Pioneer of Robotic Nipple-Sparing Mastectomy at UMMC (2025)

Key Contributions & Leadership

- Founder of Asian Breast Surgery Forum (ABSF - ECHO Project)
- Active member of IOPBS & IERBS societies

Chayanee Saelim

Educational

- 2009-2014: M.D. (Second Class Honors), Faculty of Medicine, Chulalongkorn University, Thailand
- 2017-2021: General Surgery Residency, Faculty of Medicine, Chulalongkorn University, Thailand
- 2023: International Fellowship in Endoscopic & Robotic Breast Surgery, Changhua Christian Hospital, Taiwan
- 2023: Observational Course in Endoscopic Breast Surgery, West China Hospital, Chengdu, China
- 2024: International Fellowship in Robotic Breast Surgery, Severance Hospital, Yonsei University, Seoul, South Korea
- 2024-Present: Clinical Fellowship in Breast Cancer Surgery, King Chulalongkorn Memorial Hospital, Thailand
- 2024-Present: Ph.D. in Clinical Sciences, Faculty of Medicine, Chulalongkorn University, Thailand

Professional Roles

- 2014-2017: General Physician & Surgical Internship, Thammasat University Hospital, Thailand
- 2021-2023: General Surgeon, Sirindhorn Hospital, Bangkok, Thailand
- 2021-2023: Clinical Lecturer, Faculty of Medicine, King Mongkut's Institute of Technology Ladkrabang, Thailand
- 2024-Present: Fellow Surgeon in Breast Surgery, King Chulalongkorn Memorial Hospital, Thailand

Hsiao-Su Wu

EDUCATION

Medical Doctor by Kaohsiung Medical University

WORKING EXPERIENCE:

●2001.8-2004.7

Resident in the department of surgery in Kaohsiung Medical University Hospital

●2004.8-2007.7

Resident in the department of plastic surgery in Kaohsiung Medical University Hospital

●2007.8-2008.7 Plastic Surgeon (attending physician) in Kaohsiung Medical University Hospital

●2007.9-2008.7

Plastic Surgeon (attending physician) in Changhua Christian Hospital

●2008.8-2010.7

Plastic Surgeon (attending physician) in Lee Hospital

●2010.9-2015.2

Plastic Surgeon (attending physician) in China Medical University Hospital,

●2012.4-2012.9

Observer doctor in MD Anderson Cancer Center

●2015.3-2016.6

Plastic Surgeon Plastic Surgeon (attending physician) in

●2016.7-2020.4

Attending Physician) in the Yang's Clinic

●2020.5~ to now

Plastic Surgeon (attending physician) in Chung Shan Medical University Hospital,

Professional Qualifications

●Surgeon for Taiwan Surgical Association

●Plastic Surgeon for Taiwan Society of Plastic Surgery

●Hand Surgeon for Taiwan Society for Surgery of the Hand

●Surgeon for Taiwan Society of Aesthetic Plastic Surgery

Su Jun

Professional Background

- Consultant in Breast Surgery and General Surgery, Tan Tock Seng Hospital, Singapore
- Clinical lecturer and clinical tutor at Yong Loo Lin School of Medicine and Lee Kong Chian School of Medicine, Singapore
- Current fellowship in Endoscopic Breast Surgery in Changhua Christian Hospital, Changhua, Taiwan

Educational Background

- 2014: Graduated from Yong Loo Lin School of Medicine, National University of Singapore
- 2022: Completed Residency training in General Surgery at National Healthcare Group, Singapore

Nurul Hidayah Binti Abdul Rauf

Education

- 2007 : MB BCh BAO Bachelor of Medicine, Bachelor of Surgery and Bachelor of Obstetric (University of Ireland)
- 2017: Doctor of General Surgery, The National University of Malaysia (UKM)

Professional Positions

- 2017-2022 General Surgeon, Hospital Kajang , Malaysia
- 2017-2022: Part Time Clinical Lecturer Universiti Putra Malaysia and University of Cyberjaya
- 2022- present, Breast and Endocrine Fellowship Trainee under Malaysian Ministry of Health
- 2024 : Fellowship in Minimally Invasive Breast Surgery in Changhua Christian Hospital

Jung-Ju Huang

Educational Background

- 1994 - 2001: MD, Taipei Medical University, Taipei, Taiwan
- 2015 - 2016: Research Fellow/Visiting Investigator, Memorial Sloan Kettering Cancer Centre, New York, USA

Current Position and Professional Experience

- 2007 -2009: Attending Physician, Department of Plastic Surgery, Chang Gung Memorial Hospital, Taoyuan, Taiwan
- 2009 -2011: Clinical Instructor, Department of Plastic Surgery, Chang Gung Memorial Hospital, Taoyuan, Taiwan
- 2011-2015: Assistant Professor, Department of Plastic Surgery, Chang Gung Memorial Hospital, Taoyuan, Taiwan
- 2015- 2024: Associate Professor, Department of Plastic Surgery, Chang Gung Memorial Hospital, Taoyuan, Taiwan
- Jul 2024 - Present: Professor, Department of Plastic Surgery, Chang Gung Memorial Hospital, Taoyuan, Taiwan

Chieh-Huei Huang

Educational Background

- 1998—2005 National Taiwan University, College of Medicine, Taipei, Taiwan Degree of M.D.
- 2005—2007 National Taiwan University Hospital, Taipei, Taiwan Residency in Department of Surgery
- 2007—2011 National Taiwan University Hospital, Taipei, Taiwan Residency in Plastic Surgery

Current Position and Professional Experience

- 2016—Present : Attending Surgeon , National Taiwan University Hospital, Division of Plastic Surgery, Department of Surgery
- 2011— 2016 :Attending Surgeon
- National Taiwan University Hospital, Yunlin, Taiwan Division of Plastic Surgery, Department of Surgery

Board Certifications

- Taiwan Board of Surgery
- Taiwan Board of Plastic Surgery

Awards

- 2007 The Best Presentation of endoscopic surgery video by Taiwan
- Association for Endoscopic Surgery Laparoscopic hepatectomy for focal nodular hyperplasia: Three cases report

Celene Ng

Educational

- Senior Consultant, Division of General Surgery (Breast Surgery), Department of Surgery, National University Hospital
- Senior Consultant, Division of General Surgery (Breast Surgery), Department of Surgery, Alexandra Hospital

Professional Roles

●Assistant Professor Celene Ng Wei Qi obtained her medical degree from Yong Loo Lin School of Medicine, National University of Singapore in 2011. She went on to complete her training in general surgery as a resident at the National University Hospital. She obtained the Fellowship of Royal College of Surgeons of Edinburgh in 2016.

●Asst Prof Ng was awarded the Human Manpower Development Programme Scholarship and completed her Oncoplastic Breast Surgery Training in 2021/2022 in the Nottingham Breast Institute, United Kingdom where she was able to formally train under both Plastic Surgery and Breast Surgery to be proficient in the whole scope of Oncoplastic Breast Surgery. She has also been invited to be a Member of the International Post Graduate Deanery of the Royal College of Surgeons of Edinburgh.

She has maintained her skills and expertise in general surgery and endoscopy as a means to be able to provide holistic care for her patients

Chin-Jung Feng

Educational Background

- 2001-2008 Doctor of Medicine, National Yang Ming University, Taipei, Taiwan

Current Position and Professional Experience

- 2009-2015: Resident, Division of Plastic Surgery, Taipei Veterans General Hospital
- 2015: Lecturer, School of Medicine, National Yang Ming University
- 2015-2017: Attending Doctor, Department of Plastic Surgery, Taipei Veterans General Hospital, Taoyuan Branch
- 2017-Present: Attending Doctor, Division of Plastic Surgery and Comprehensive Breast Health Centre, Taipei Veterans General Hospital

Visnu Lohsiriwat

Educational background

- 2005: Certificate Thai Board of General Surgery
- 2007: Certificate Thai Board of Plastic and Reconstructive Surgery
- 2013: Certificate Research Fellowship Oncoplastic Reconstruction, European Institute of Oncology Milan, Italy

Professional Appointments

- 2007-Present: Lecturer, Consultant, Permanent Staff In Division of Head-Neck and Breast Surgery, Department of Surgery, Faculty of Medicine Siriraj Hospital, Mahidol University, Thailand (2007-present)
- General Secretary of IOPBS (International Oncoplastic Breast Society) Board
- Committee of Thai Plastic and Reconstructive Surgery Society

Hisamitsu Zaha

Educational Background (1990-1996)

- Faculty of Medicine, University of Ryukyus, Okinawa, Japan
- Postdoctoral Training:
- Internship and Residencies
- St. Lukes international hospital, department of surgery, Tokyo, Japan
-

Positions and Appointments:

- 1996-1999: Department of surgery, St. Lukes international Hospital, Tokyo, Japan
- Department of surgery, Nakagami Hospital, Okinawa, Japan (1999~2002)
- 2002-2007: Department of surgery, Director of Surgery, Nakagami hospital, Okinawa, Japan
- 2008- present: Department of Breast surgery, director of breast surgery, Nakagami hospital, Okinawa, Japan
- 2017-present :Vice Director of the Hospital, Director of Breast Centre, Nakagami hospital, Okinawa, Japan
- 2020-present: Chief committee of Oncoplastic Breast-conserving surgery working

Fiona Tsui-Fen Cheng

Educational Background

- Master of Science, National Taiwan University Graduate Institute of Forensic Medicine.
- Medical Degree, China Medical University, Taiwan.
- Current Position and Professional Experience
- Chief of Department of General Surgery, Shin Kong Wu Ho-Su Memorial Hospital
- Director of Breast Cancer Center, Shin Kong Wu Ho-Su Memorial Hospital

Experiences

- Adjunct assistant professor at National Defence Medical College and China Medical University.
- Special Legal Physician of Taiwan High Court Prosecutor's Office.

Ava Kwong

Professional Appointments

- Daniel C K Yu Professor in Breast Cancer Research
- Clinical Professor at The University of Hong Kong
- Chief of Division of Breast Surgery at Queen Mary Hospital, Hong Kong

Research Interests

- Breast cancer
- Advance surgical technology
- Biomarker and translational research
- Psychosocial studies
- Epidemiology
- Neoadjuvant and adjuvant clinical trials
- Hereditary Breast and Ovarian Cancer Syndrome

Jesse C. Selber

Professional Background

- Professor of Plastic Surgery, Chief of Surgical Services and Interim Chief Medical Officer at Corewell Health East, Michigan, USA
- Previously Professor, Department of Plastic Surgery, Division of Surgery, The University of Texas MD Anderson Cancer Center, Houston, Texas

Institutional Committee Activities

- Clinical Research Committee, Member (2011~2014)
- Global Academic Programs, Member (2011~2017)
- Minimally Invasive Technology in Oncologic Surgery (MINTOS), Outreach Officer (2011-present)
- Perioperative Services, Operating Room Visitor Code of Conduct Policy Committee, Policy Co-Author (2011)
- National Surgical Quality Improvement Program (NSQIP), Plastic Surgery Representative (2012~present)
- Cancer Network Resource Committee, Chair (2015~2016)
- Cancer Network Expansion Advisory Board, Permanent Member (2017)

Chih-Wei Wu

Professional background

- Board-certified plastic surgeon in private practice at the Elysee Aesthetic Medical Center, Taiwan
- Secretary-General of the Asian Society for Breast Plastic and Reconstructive Surgery

Educational background

- Graduated from School of Medicine, National Taiwan University, Taipei in 2003
- Completed Plastic Surgery Residency at Linkou Chang-Gung Memorial Hospital, Taoyuan, Taiwan in 2009
- Fellowship in Breast Reconstruction at Chang-Gung Memorial Hospital
- Assistant Professorship in 2016
- Director for both the Breast Reconstruction Center and Plastic Surgery Intensive Care Unit in 2015

Ming-Huei Cheng

Educational background

- Completed his General Surgery and Plastic Surgery residency training at Chang Gung Memorial Hospital, Taipei, Taiwan in 1997
- Completed combined microsurgical and research fellowship at the Department of Plastic Surgery, MD Anderson Cancer Center, Houston, Texas, in 1999

Professional background

- Member of the American Society for Reconstructive Microsurgery since 2003
- International member of the American Society of Plastic Surgeons since 2009
- Full Professor at the Department of Plastic and Reconstructive Surgery, Chang Gung Memorial Hospital, in 2011.
- Adjunct professor at the Division of Plastic Surgery at the University of Michigan, Ann Arbor, MI., in 2017.
- Retired from Chang Gung Memorial Hospital and established his private clinic, A+ Surgery Clinic, specializing in lymphedema microsurgery and microsurgical breast reconstruction in Taipei in April 2023
- Vice President of the World Society for Reconstructive Microsurgery in August 2023.

Shyi-Gen Chen

Professional Background

- Professor of Plastic Surgery
- Vice-President, Tri-Service General Hospital, Taipei, Taiwan
- Dean, School of Medicine, National Defense Medical Center.
- Leading expert in breast surgery, especially in breast reconstruction, body contouring and fat grafting

Eisuke Fukuma

Education and Professional background

- Graduated from Iwate University School of Medicine Japanese Medical License Registration (1979)
- Certified with FMGEMS (1983)
- 1979-1985 Resident in St. Luke's Hospital Tokyo (Surgery) (1979-1985)
- Medical Staff, Department of Surgery, Teikyo University Hospital (1985~2000)
- Visiting Research Fellow, Department of Surgery, Melbourne University, Australia (1989)
- Director of Breast Surgery, Kameda Medical Centre (2000~2004)
- Director of Breast Center, Kameda Medical Center (2004~2011)
- Ph.D. (Medical Science) Teikyo University School of Medicine (1996)
- Chairman of Breast Center, Kameda Medical Center (2011~present)

Academic Appointments

- Board Certified Specialist of Japan Surgical Society
- Board Certified Specialist of Japan Breast Cancer Society
- Councilor of Japanese Breast Cancer Society
- Councilor of Japanese Association of Breast and Thyroid Sonography

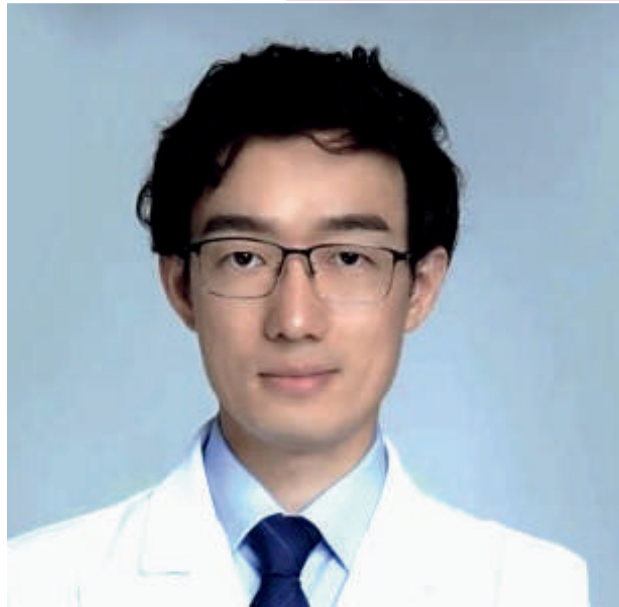

Haiyan Li

Professional Appointments

- Chairman of the Professional Committee of Breast reconstruction and Aesthetics, Guangdong Institute of Health Management
- Chairman of Aesthetic Treatment of Breast Tumors Committee of Guangdong Medical Education Association
- Standing Member of Breast Diseases Professional Committee of Guangdong Association of Integrated Traditional Chinese and Western Medicine
- Standing Member of Breast Oncology Medical Management Branch of Guangdong Medical Industry.

Research Interests

Breast cancer immune microenvironment, Breast cancer metabolism and Aesthetic treatment of breast cancer

Peng-Wei Lyu

Professional Background

- Attending physician at The First Affiliated Hospital Of Zhengzhou University, Zhengzhou, China

Specialties

- Breast surgery, Robotic breast surgery

Antonio Toesca

Educational Background

- Graduated in Medicine at the University of Milan Bicocca in 2001
- Specialist in General Surgery Cum Laude at the University of Milan Bicocca in 2007

Professional Appointments

- Director of the Breast Surgical Oncology Program at Candiolo Comprehensive Cancer Center, Italy
- Principal Investigator for the Robotic Breast Cancer Surgery Program in Europe
- Member of Educational Committee of "Italian School of Breast Disease"
- Member of the Editorial Board Members of Journal of Tumor

Benjamin Sarfati

Educational Background

- 2005 Bachelor of Science “Biological and Medical Sciences from University Paris Diderot - Faculty of Medicine Lariboisière Saint Louis, Paris
- 2009 Doctorate of Medicine from University Paris Diderot - Faculty of Medicine Lariboisière Saint Louis, Paris
- 2013 Master of science “Surgical Science” from University Paris Est

Professional Appointments

- Private Practice for aesthetic surgery in Paris.
- Attending physician specialized in Plastic and Reconstructive Surgery in a comprehensive cancer center, Gustave Roussy, Department of Plastic Surgery.
- Clinical activity in breast reconstruction, head and neck reconstruction, skin surgery, oncologic surgery and microsurgery from October 2010 until today

Hyung Seok Park

Professional Appointments

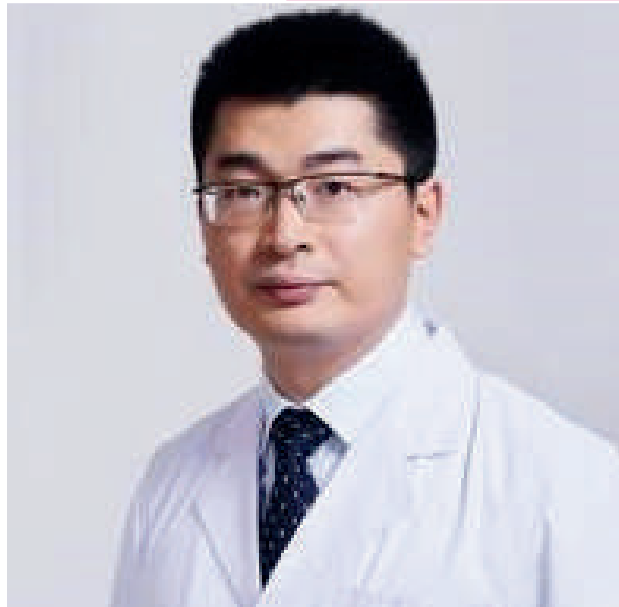

- Breast Surgeon and Surgical Oncologist currently working as a Professor in the Department of Surgery at Yonsei University College of Medicine
- Established the Korea Robot-Endoscopy & Minimal Access Breast Surgery Study Group (KoREa-BSG)

Professional Achievements

- Performed first human case of a robotic mastectomy in Asia in 2016
- First robotic mastectomy and robotic axillary lymph node dissection using the new Da Vinci SP system in 2018 and 2019 respectively

Research Interests

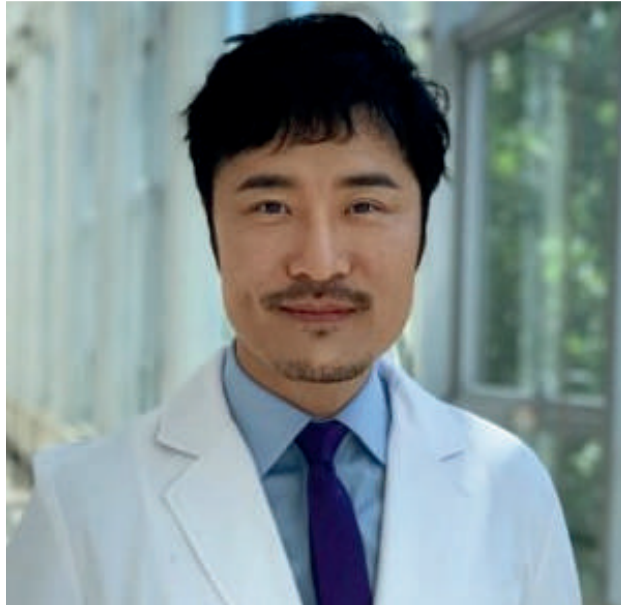

- Robotic breast surgery, oncoplastic breast surgery, surgical oncology, minimally invasive surgery, endocrine surgery, biostatistics, preclinical models, and genomics

Zheng-Gui Du

Professional Appointments

- **Director of Breast Surgery in Guang'an Branch, Ya'an Branch and Airport Branch of West China Hospital, Chengdu, China**
- **Associate Professor of Breast Surgery**
- **Visiting Scholar at the Medical College of Wisconsin, USA**
- **Vice Chairman of the Breast Professional Youth Committee of the Chinese Research Hospital Association; Youth Committee of the Breast Tumor Plastic Surgery Branch of the China Association for International Exchange and Promotion of Healthcare.**

Zi-Han Wang

Professional Appointments

- Vice Chair, Endoscopic Breast Aesthetic and Reconstructive Surgery Committee, Breast and Thyroid Section, Rehabilitation Branch, Chinese Anti-Cancer Association
- Vice Chair, Breast Plastic Surgery Youth Committee, Precision and Digital Medicine Branch, Chinese Association of Plastic and Aesthetic Surgery
- Vice Chair, Youth Committee, Breast and Thyroid Tumor Section, Rehabilitation Branch, Chinese Anti-Cancer Association
